Neighbourhood Plan

c/o Mayland Parish Council

What is the Neighbourhood Plan!!

Mayland Parish Council has formed a Steering Committee to create the Mayland/Maylandsea Neighbourhood Plan.

There will be development in Mayland.

This Plan is our opportunity for all the residents of Mayland/Maylandsea to have a say on what is built, where it's built and when it's built over the next 15 years.

The plan will provide for what type of:

- **Housing is built and where.**
- **The road and traffic flow around the village.**
- **Local amenity needs (Doctors and schools etc).**
 - **Leisure facilities and open spaces.**
 - **Business and employment.**

What is happening now?

Surveys are being distributed to Residents, Businesses, community groups and land owners.

If you receive one and want a say in the Future of your village please fill it in.

What happens next?

The plan will be submitted to Maldon District Council for approval and then a referendum of Mayland/Maylandsea residents will be held to accept or reject the Plan.

Calling all Community Groups

**The first of the Residents Surveys have now been distributed to all Households in Mayland/Maylandsea
THIS SURVEY IS FOR ALL THE COMMUNITY GROUP LEADERS.**

**As an integral part of the village we want you to get involved and HELP SHAPE THE FUTURE of our Village.
Tell us what you want to see and what you need!!**

This survey will help in decisions made to provide the facilities that you want to see in our village.

The better the response from you the better the results will be.

Information collected will be used responsibly with:

- **Planning the village facilities**
- **Identifying where investment is needed**
- **Highlighting shortfalls in existing facilities**

The Neighbourhood Plan Steering Committee and volunteers from the Mayland Action Group will be hand delivering these surveys, and will gladly answer any questions you may have or alternatively contact;
