

Mayland Parish Council
Neighbourhood Plan Committee
Newsletter April 2018

Hi everybody the Neighbourhood Plan Newsletter is back. The April meeting of the Neighbourhood Plan (NP) was held on the 3rd April at the Lawling Park Hall.

During the last few months the NP committee has been busy summarising the last survey results (October 2017) plus working on the Draft plan. The results of the survey will soon be posted on the Mayland PC website.

We have also been planning how we complete the last parts of the plan before submission to Maldon District Council.

In the coming months we hope to complete the next few tasks:

- Summary of last October's survey onto website and confirm that our vision and principles of the draft plan comply with the wishes of the residents
- Have a stand at the local village festival (Lawling Park June 23rd) to present the plan as it stands at that time, show the work that has been done and answer any resident's questions with regards to the plan.
- NP committee will present to the residents the sites that they feel comply with residents majority survey returns for further consideration.

Then final work can be done on the draft plan. The policies can be written and the draft submitted to Maldon District Council (MDC). The MDC will comment on the plan and the committee will update as necessary any parts that may need changing to comply with the local development plan (LDP).

The Plan will then be presented to the residents and a referendum will be held of the villagers to either accept or reject the plan. A 51% majority of those who vote will carry the Neighbourhood Plan.

Then if accepted the approved plan shall be incorporated within the LDP.

Finally we shall state again all Mayland /Maylandsea residents are welcome to attend any of the Neighbourhood Plan Committee meetings. There is a public discussion part on the agenda and residents are welcome to ask questions and find out more about what is happening for the future of our village.

Meetings are normally the first Tuesday of the month at 7.00pm at Lawling Park Hall, please check with the website below for times, location, and the agenda. (Next meeting Tuesday 1st May)

For further information visit the NP section on the parish council's website.
