

- Activity Diagram
- Activity 'A'
  - Activity 'B'
  - Building works
  - Activities

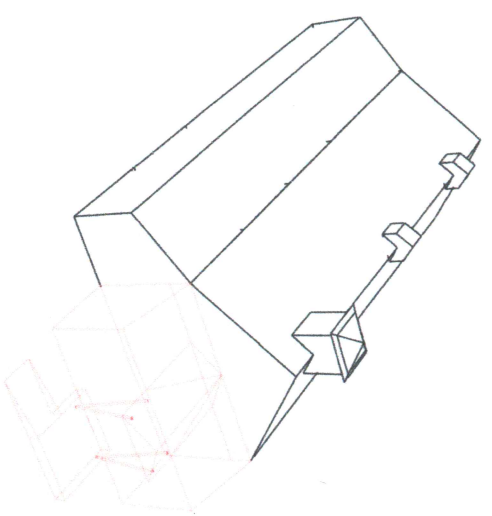

- Advantages / Disadvantages
- More transition between outside/inside
  - Better open plan layout
  - More efficient use of front space
  - Attractive front entrance
  - Allows subdivision of building for activities
  - Allows use of upstairs as office space
  - Storage is easy to reach

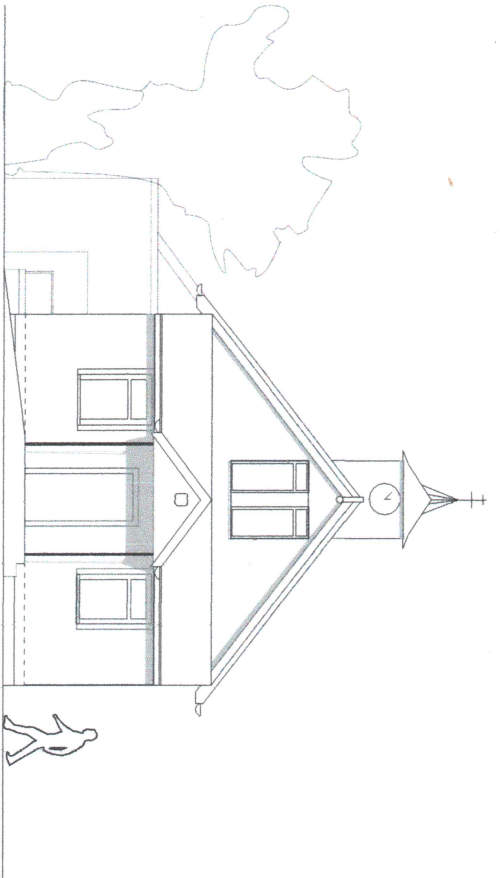

Cost of works increasing

Existing front elevation

Possible enlivening of front elevation to provide large areas of glazing and stronger impact external finish.
